

include/yoloDetect.h

```
graph TD; A[include/yoloDetect.h] --> B[vector]; A --> C[opencv2/dnn.hpp]; A --> D[opencv2/opencv.hpp];
```

A diagram illustrating the dependencies of the header file `include/yoloDetect.h`. The header file is shown in a grey box at the top. Three blue arrows point downwards from it to three white boxes below, representing the included files: `vector`, `opencv2/dnn.hpp`, and `opencv2/opencv.hpp`.

vector

opencv2/dnn.hpp

opencv2/opencv.hpp
